

EARLY COLLEGE ELECTIVE PACK

COLLEGE SUCCESS STARTS
IN HIGH SCHOOL

Appoquinimink School District
THE WORLD IS OUR CAMPUS

The Appoquinimink School District Early College Elective Pack (ECEP) offers students the opportunity to receive a minimum of 9 college credits on their college transcript to an institution of their choice. Students have the opportunity to choose between any of the approved colleges available that offer dual enrollment courses to students and get a breadth of college elective courses done before they enter their freshman year of college. In addition to earning college credits, the Appoquinimink School District also rewards students with a high school credit.

Requirements

- Meet any minimum admission scores of the institution (please refer to each college for more information)
- Take a minimum of 3 courses at any one institution
- Receive a passing grade as designated by the institution

Benefits for Students

- Early College Credit on their transcript
- Courses count towards electives within their high school Pathway as well as in college
- Students earn special distinction cord at graduation
- Students can earn multiple distinctions
